University Archives

Your organization's records are part of La Salle University history! We would like to help you transfer your paper and digital records to the University Archives for safekeeping and easy access in the future. Examples of these records include meeting minutes, founding documents, membership rolls, posters, photos, memorabilia, audio, and video.

Archives staff can meet you anywhere on campus with boxes and an external hard drive to transfer papers and digital files. Please contact us at archives@lasalle.edu or 215-951-1296 with any questions or to schedule a pickup date.
